

# Farm Science Review Agronomy College

For agronomists, Certified Crop Advisers, custom applicators and farmers

## “Raising the Bar” in 2018

Tuesday, Sept. 11 • 9 a.m. - 4 p.m.

REGISTRATION BEGINS AT 8:30 A.M.

Molly Caren Agricultural Center

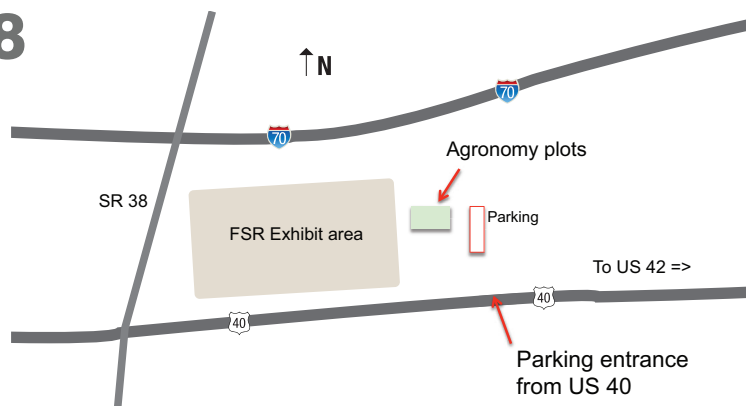

LONDON, OHIO

The full-day event features time with OSU Extension staff in the field at the small agronomy plots and larger demonstration field on the east side of the grounds. Breakout sessions will feature topics including mid-summer disease occurrences, proper drainage, cover crops, spraying specifics, late season insects and weeds, and updates to the phosphorous risk index and tri-state fertilizer recommendations.

\$120 per participant

Register online at [oaba.net/events](http://oaba.net/events).
